

“Interweaving two tales of passion and deception, Noyes vividly evokes an era of intense fascination with both the wonders of science and the world of spirits. An engrossing novel about an extraordinary time.”

*--Barbara Weisberg, author of **Talking to the Dead: Kate and Maggie Fox and the Rise of Spiritualism***

*“**Captivity** is haunting and evocative, a heartbreakingly poignant, emotionally luminescent tale of the prisons we build for ourselves out of expectation and desire. Beautiful and subtly powerful. I loved it.”*

*--Megan Chance, author of **The Spiritualist***

“With her crystalline prose Deborah Noyes creates characters who feel lit from within and at the same time she teaches the reader to ask different questions, expect different answers .

*I love the many surprises of **Captivity** and the way the novel beautifully blurs the lines between the living and the dead, the true and the false.”*
